COURSE RECOMMENDATIONS FOR STUDENTS EXPLORING DEGREES IN BUSINESS & MANAGEMENT

Reduce the time to graduation by only taking the courses necessary to complete a degree. Below are a few recommended courses for students exploring careers in business & management. These are to be viewed as suggestions; other course options compatible with this track are listed on page 3.

Consult university advisors at the university you plan to attend for appropriate placement based on test scores, high school preparation & potential major.

ENGL 101— Composition I

ENGL 201— Composition II

OR

ENGL 205— Business Writing

CMST 101—Fundamentals of Speech

POLS 100—American Government

ECON 201—Principles of
Microeconomics

AND

ECON 202—Principles of
Macroeconomics

ENGL 210—Introduction to Literature

PHIL 220—Introduction to Ethics

In most cases, it is best for high school students to exhaust the math curriculum at their high school before moving on to dual credit math courses.

MATH 114—College Algebra *(or appropriate math course based on placement)*
OR MATH 281/STAT 281—Introduction to Statistics

BIOL 101/L—Biology Survey I & Lab

BIOL 103/L—Biology Survey II & Lab

Sciences courses should be completed in sequence. Often, students looking to major in science-based majors are better served by taking lab science courses face-to-face in an actual lab, so dual credit may not be the best option for some students.

Requirement for majors.

These course recommendations fulfill the following general education requirements:

Written Communication

Oral

Communication

Social Sciences

Arts & Humanities

Mathematics

Natural Sciences

COURSE OPTIONS FOR STUDENTS EXPLORING DEGREES IN BUSINESS & MANAGEMENT

Reduce the time to graduation by only taking the courses necessary to complete a degree. Below is a list of possible courses to fulfill general education requirements for students exploring careers in business & management.

Consult university advisors at the university you plan to attend for appropriate placement based on test scores, high school preparation & potential major.

Goal #1: Written Communication *(Students must take two courses, including ENGL 101)*
