General Information

Applications must be postmarked or received electronically by April 15 for priority consideration.

Scholarship applicants will be notified of the decisions.

Scholarship is awarded for one year, must reapply to be considered for a second year.

The Critical Teaching Needs Scholarship Program is aimed at encouraging South Dakota high school graduates to:

- Obtain their postsecondary education in South Dakota.
- Remain in the state upon completion of their education.
- Contribute to the state of South Dakota and its citizens by working in a critical teaching need occupation.

The current critical need occupations within a public, private, or parochial school are:

- Teaching K-12 Special Education
- Teaching High School Math or Science
- Teaching High School Career and Technical Education (CTE)
- Teaching Secondary Language Arts
- Teaching Secondary World Language
- Teaching English as a Second Language (ESL) or English Language Learners
- Teaching K-12 Vocal or Instrumental Music

The scholarship amount will be determined by calculating the student's remaining financial need, and may not exceed the tuition and generally applicable fees for 30 credit hours at a public South Dakota postsecondary institution.

Note: From the total pool of applicants, a limited number will be selected.

To be considered for the scholarship you must meet all of the following:

- Agree in writing to stay in South Dakota and work in a critical teaching need occupation for five years after graduating from a participating postsecondary institution;
- Agree, through a promissory note, that failure to abide by the employment requirement above will result in the scholarship being converted into an interest-bearing loan;
- Attend a participating South Dakota postsecondary institution as an undergraduate enrolled in your final two years of postsecondary education and be fully admitted in an elementary or secondary education program at the institution that is preparing you to work in a critical need teaching area; and
- Be a U.S. citizen or lawful permanent resident.
- Have a minimum cumulative 2.8 GPA on a 4.0 scale, and an average of 2.8 GPA for all major coursework.

A student is eligible to receive the scholarship for two academic years (four consecutive fall and spring terms) or until the attainment of a baccalaureate degree in elementary or secondary education in a critical need teaching area, whichever comes first.

To maintain your scholarship eligibility you must:

- Maintain a minimum cumulative 2.8 GPA on a 4.0 scale.
- Be considered a full-time student as defined by the college.
